Scholarship Goal: To support local growers and food production in Cook County, MN.

Uses: Establish or improve farmland, buy necessary equipment and supplies, and pay for education related to organic farming.

Requirements:

- Residency in Cook County, MN
- Written description of your commitment to sustainable food production, what the funds will be used for, and expected benefits for local food production and delivery of local food to the Co-op.
- Applications must include all of the above and be emailed, mailed or dropped off at the Co-op.
